

CREATIVE FLUTIST CLASSES

Texas All-State Etudes ~ High School Jennifer Keeney ~ Flutist ONLINE

Celebrate the release day of the Texas All-State etudes with a focused, creative, and joyful online intensive.

On the evening the etudes are published, we'll dive into each piece to understand its musical and technical elements, using The Creative Practice Philosophy to build meaningful practice strategies.

What to expect:

- Guided exploration of every etude: form, phrasing, rhythm, technique, and musical intent
- Practical, creative practice approaches you can use immediately
- Opportunities for questions, feedback, and collaborative learning

Bring your flute, your etude music, a growth mindset, and joyful energy — let's begin this All-State journey together.
