#3 Magic Carpet - Leone's Buyse's lovely harmonics

Your air is the magic carpet you ride upon to create a beautiful sound and great music.

* Begin learning these at a mezzo forte or forte dynamic. As you improve your air and embouchure you will be able to play at this exercise at softer dynamics without pinching or losing your beautiful tone.

* Each note has its own unique air speed, support and angle of air.

Listening!

*each harmonic a unique color!
